**NOTICE OF OBJECTION BY VERLON E MUNN, CURRENT DEBTOR RETIREE TO  
"MOTION FOR ORDER UNDER 11 U.S.C. §§ 105, 363(b)(1), AND 1108 CONFIRMING  
DEBTORS' AUTHORITY TO TERMINATE EMPLOYER-PAID POST RETIREMENT  
HEALTH CARE BENEFITS AND EMPLOYER-PAID POST-RETIREMENT LIFE INSUR-  
ANCE BENEFITS FOR CERTAIN (A) SALARIED EMPLOYEES AND (B) RETIREES AND  
THEIR SURVIVING SPOUSES ("SALARIED OPEB TERMINATION MOTION")", Docu-  
ment #14705 filed February 4, 2009 and delivered to Verlon E Munn on February 5, 2009.**

I, Verlon E Munn, have filed written papers with the court to object to said motion prior to the date in the motion of February 17, 2009 at 4:00PM and per all requirements stated. I, Verlon E Munn, would like the court to consider my views on the motion and consider this as an objection to the motion. My views and objections for consideration:

I object to the debtors February 17, 2009 date set for objections to be submitted. Basis: From the date of receipt of the motion (February 5, 2009) with NO prior knowledge, that leaves 6 working days to develop and submit an objection (Presidents day is February 16, 2009). That is insufficient time to research and form a well refined objection.

I object to the debtors selection of termination of the post-retirement health and life insurance benefits (referred in the motion as "Salaried OPEB") as the only option. Basis: Other options were defined in the benefits while employed, and when retired. Namely amend or modify.

I object to the debtors termination of Salaried OPEB for current retirees who were forced to retire or chose to retire based on personal financial situations and plans that included debtor commitments at the time of retirement. Basis: The debtor chose to retire people for short term cost savings with a commitment to retirement payment, health care and insurance. The proposed medical and insurance benefits in retirement table, page 22 and 23 in the motion, are not what were offered when forced retirement and retirement decisions were made. At this time, the group being harmed financially is not represented by anyone in the bankruptcy proceedings that can determine whether or not this is reasonable or necessary for emergence from bankruptcy.

I object to a March 31, 2009 termination date. Basis: This is not enough time under the current economic conditions for current retirees to accumulate the funds to accommodate this extra financial burden.

I object to the debtors claim, page 24 in the motion, that section 1114(d) of the Bankruptcy Code is inapplicable. Basis: Salaried retirees are not covered by a collective bargaining agreement and this is not a welfare plan as noted in the motion. The debtor was provided OPEB funds by GM when it was spun off in 1998 to cover those salaried employees with GM service. I had 32 years of GM service and 5 years of service with the debtor. Furthermore, during those 5 years additional funds were added to the OPEB funds which should be available to an 1114(d) committee. The debtor needs to provide transparency to the GM commitment and funded OPEB, especially to those who worked for GM and were not given a choice as to whether they stayed with GM or were moved to Delphi. Also, at this time, the group of retirees is not represented by anyone to refute or agree with Delphi's claims in the motion that "Because the Debtor's right to terminate Salaried OPEB

Honorable Robert D. Drain, thank you for the opportunity to share my views and raise my objections to this swift motion by the debtor. The debtor needs our help and we can help, as we did for many years as employees. My objections are intended to raise a point of view of the people (United States Citizens) personally affected by this motion in the context of very difficult financial times for not only the debtor but for 15,000 retirees.
